

Environmental Collaboration and Conflict Resolution Award Nomination Form

1. Nominator Details (Federal Department or Agency Representative)

Name:	
Title/Position:	
Organization:	
Address:	
City:	
State:	
Zip:	
Office Phone:	
Work Cell Phone:	
Fax:	
Email:	

2. Practitioner(s) serving in 3rd party role who led the process

Name	Organization	Email

3. Other agencies, organizations, or individuals involved in nomination

Name	Organization	Email

4. Briefly describe the environmental conflict or challenge, including geographic scope. (150 words max.)

5. Provide a summary of how the conflict or challenge was addressed using environmental conflict resolution and collaboration, including a brief description of the key process elements (e.g., case assessment, process design, mediation). Please also identify the categories of parties/stakeholders, the overall number of participants, the duration of the process with key dates, and how the project was funded. (250 words max.)

6. Describe the extent to which this project represented a cutting-edge application or innovative model of collaboration or conflict resolution. (150 words max.)

7. Describe how the collaboration or conflict resolution process enhanced the overall project process or outcome. What were the beneficial outcomes or impacts (e.g., more informed decision, balancing of competing interests, improved trust among parties, more creative solutions, more timely project progression, increased commitment to the solution, protracted and costly litigation avoided, more cost effective process or outcome). (250 words max.)

8. Please identify any concepts, policies, practices, templates and/or lessons learned that are broadly applicable and can be used to improve practice. Please also describe the strengths and challenges of the collaboration or conflict resolution process (250 words max.).

9. Please identify how generally accepted principles for effective environmental collaboration and conflict resolution were applied in this process (Refer to Appendix A of the call for award nominations). (250 words max.)

10. Please identify any noteworthy publicity, recognition, or awards this project has received.

Thank you for your submission.
